**Premier Micronutrient Corporation Globe Sponsor at the 4<sup>th</sup> Annual Marine Corps Scholarship Foundation Colorado Golf Classic**

Aurora, Colorado, Sept. 5, 2006 — Premier Micronutrient Corporation (PMC) was a proud Globe Sponsor at the 4<sup>th</sup> Annual Marine Corps Scholarship Foundation Colorado Golf Classic. Over 144 golfers took the greens in support of providing financial assistance in the form of scholarships for higher education to deserving sons and daughters of Marines and children of former Marines, with particular attention being given to children whose parent was killed or wounded in action.

As a Globe sponsor, PMC contributed to the \$118,000 raised at the Heritage Eagle Bend Golf Course. "Events such as this are only possible through the participation and sponsorship of generous individuals and organizations," said Rob Brooks, Chairman for the MCSF committee.

CEO of PMC, David Newell, participated in the golf classic, "We are very proud of our healthcare programs that we currently have going with the Marine Corps. The Scholarship Foundation is another way that we can support those that bravely defended our freedom."

*The MCSF mission is to support the families of Marines by providing college and vocational school scholarships to their children. We are proud of our long history and commitment: Since 1962, we have awarded more than 20,000 scholarships totaling \$31.2 million, including \$2.2 million to 977 scholarship recipients in 2006.*
